RE: Semi-Annual Evaluation Report for Study Area 36, Orlando
Naval Training Center, Orlando, Florida

Dear Mrs. Nwokike:

I have completed my review of the Semi-Annual Evaluation Report for Study Area 36, Orlando Naval Training Center, dated March 2005 (received March 18, 2005), prepared and submitted by Tetra Tech NUS, Inc. The report is adequate for its intent and is accepted as final. I concur that the groundwater monitoring frequency can be reduced from quarterly to semi-annually.

If I can be of any further assistance with this matter, please contact me at (850) 245-8997.

Sincerely,

David P. Grabka, P.G.
Remedial Project Manager
